Excerpt

"API's may be used under following conditions:

1.11 APIs. Licensee acknowledges and agrees that any API Information and Development Materials (unless otherwise specified by Autodesk in additional or different terms associated with such API Information or Development Materials) (a) are confidential and proprietary to Autodesk, (b) may not be distributed, disclosed or otherwise provided to third parties, (c) may be used only internally and only in conjunction with and for Licensee's own authorized internal use of the Licensed Materials to which the API Information or Development Materials relate, such as the development and support of applications, modules and components to operate on or with such Licensed Materials, and (d) may only be Installed on the same Computer(s) where such Licensed Materials are permitted to be Installed. Notwithstanding the foregoing or Section 3 (All Rights Reserved), if Licensee develops any such applications, modules and components in accordance with this Agreement, nothing in this Agreement will prohibit Licensee from using such applications, modules and components with (and porting such applications, modules and components to) other software and hardware (including the software and hardware of third parties), if such applications, modules and components (i) do not incorporate or embody any Development Materials or other Autodesk Materials (other than the API Information that was used in the development thereof in accordance with this Agreement) and (ii) do not disclose the API Information. For purposes of this Section 1.11 (APIs), (A) "API Information" means the standard applications programming interface ("API") information generally provided by Autodesk to licensees of the Licensed Materials that specifies the requirements for interfacing to (e.g., invoking or directing the functions of) the software included in such Licensed Materials; and (B) "Development Materials" means SDKs and other toolkits, libraries, scripts, reference or sample code, and similar developer materials included in the Licensed Materials.

API Information does not include any implementation of such interface information, any Development Materials, or any other software, module or component.

3. All Rights Reserved

Autodesk and its licensors retain title to and ownership of, and all other rights with respect to, the Autodesk Materials and all copies thereof, including, without limitation, any related copyrights, trademarks, trade secrets, patents, and other intellectual property rights. Licensee has only the limited licenses granted with respect to the Licensed Materials expressly set forth in this Agreement, and Licensee has no other rights, implied or otherwise. Licensee acknowledges and agrees that the Autodesk Materials are licensed, not sold, and that rights to Install and Access the Licensed Materials are acquired only under the license from Autodesk. The structure and organization of Software included in the Autodesk Materials, any source code or similar materials relating to such Software, any API Information and Development Materials (both as described in Section 1.11 (APIs)), and any other Licensed Materials identified as confidential or proprietary are valuable trade secrets of, and confidential and proprietary information of, Autodesk and its suppliers, and (a) may not be distributed, disclosed or otherwise provided to third parties, and (b) may be used only internally and only in conjunction with and for Licensee's own authorized internal use of the Licensed Materials."
